“ *The last few months were so heart-wrenching, but I'm thankful to have had the chance to let him know how much I love him. I will miss the excitement on his face at the sight of Gio, his INCREDIBLE cooking, us sharing a chocolate doughnut, watching him dance to his favorite songs, and him telling me to let go when I would hug him too long (even though he really didn't mind) I'm heart-broken, but at least now his pain has come to an end. Til we meet again... I love you so much.*
