“ Yesterday family and friends gathered to honor my friend, my sister by heart Anna. For weeks the words that all of us shared was “I can’t believe she’s gone”. Anna was one of the most beautiful souls I know I will ever know. She loved hard with her very tender heart. Her family was everything to her. She and I shared that love of family and music and nature. We shared life together since the 9th grade. Sharing so many lessons of life we all aged together. When I think of all our life adventures together our families and close circle of friends shared I will smile big that we loved hard. Our sisterhood of hearts will continue to share laughs and tears and celebrate that we did it with you! Your big heart and beautiful smile is forever with us.

Your Celebration of life after your service was as you deserved, a picnic of family and friends treasuring you and doing some eating and laughing and crying while celebrating you at Otay Lakes where we all have shared so many great picnics. This was for you! It was a beautiful day with the beauty of Mother Nature gracing us after a fresh rain with big puffy clouds and the beauty of the serene lake. It was perfect just for you!

Cheers Anna Banana, thank you, ❤️ I love you my beautiful friend..... Dance sister dance 🎵🎵
