“ To my Big Brother I will cherish all my memories with you. Benjamin you have been the most warm-hearted, kind, loving person in my entire life. I thank you for always being there for me especially in times of need, thank you for stepping up when our daddy passed away and keeping me protected and safe. I love you now and forever. As your last words to me were I will see you on the other side. Rest now in eternal peace no more pain & suffering.
Loving you always
Sis Dani
