“ Auntie Beverly,

You will be missed, you were very loving and family oriented. You always took pictures of everyone and everything to make sure you captured all the memories.

Junior has so many fun childhood memories of you, he remembers sleepovers with his cousins and your famous enchiladas, playing in the pool, playing card games at the table, and how you would always tell them not to go too high on the swing set, doing crossword puzzles, and how you were the first to master the rubik's cube.

Auntie Beverly would cook all day and host Thanksgiving & Easter for the entire family. I remember that you were always there for all my big celebrations, my bridal shower, my baby showers and all of my children's celebrations as well. You crocheted each one of us beanies and scarves and always had little gifts for all the kids. Mia remembers how you would always greet her with a “hello beautiful” and how you would always tell her she looked just like her dad when he was little. Auntie Beverly thank you for always being so welcoming, kind, and teaching us all how to be a united family. You will be greatly missed.

Rest in peace.

Love always,

Janelle, Junior, Alyssa, Frankie & Mia
