

DAMIEN - FELIZ

September 24, 2002 - August 28, 2019

Damien Feliz was born September 24, 2002 in Bronx, N.Y. he later moved to San Diego, CA at the age of 3. Damien was full of life and involved in all sorts of things that made him happy. He enjoyed playing soccer and, later, football. Writing his rhymes and listening to music were his favorite things to do. He cared so much about what mattered most. He was very loyal and there's nothing that he wouldn't go above and beyond for. Damien was known throughout the community as a fun loving and caring young man with a smile that could light up a room. He was a very vibrant young man who was always thoughtful and well organized. Damien was well known as a protector of his loved ones. He was the type of young man who would put loyalty above all. Damien was very strong minded with a lot of will. He loved to win and was not a quitter. With a very opinionated and strong will Damien was precise, articulate, and extremely dedicated and detailed oriented in whatever he put his mind to. As we celebrate Damien's life, he will always live on in our hearts. From mom, brother, grandmother, aunts, uncles, cousins, family, and friends we lay you to rest so you may you rest in peace. He was a true angel in the eyes of many. What a true love you are may God be with you. This is not goodbye, we will see you soon. You will always live in our hearts as the wind blows and the sun shines bright. My love, my king, world, and grace. Rest in peace! We love you!!!!

The Chain

We little knew that day,
God was going to call your name.
In life we loved you dearly,
In death, we do the same.

It broke our hearts to lose you.
You did not go alone.
For part of us went with you,
The day God called you home.

You left us beautiful memories,
Your love is still our guide.
And although we cannot see you,
You are always at our side.

Our family chain is broken,
And nothing seems the same,
But as God calls us one by one,
The chain will link again.
