“ Don Evans was our beloved brother-in-law. Our memories are more recent because he dedicated his life to serving God in foreign countries with Wycliffe. He would come home with Gail and family on furlows. Then we would catch up our life's in a short period. But, since both of our families have retired we enjoyed getting together for meals and spending tons of time talking about the olden days. He was such a special person. He will leave a hole in the lives of his family, friends and co-workers. He had such a great sense of humor! But, our loss is Jesus's gain. We love you Don! Until we met again...
