“ *My Wife of thirty eight years. Dorothy was my light and muse. Born in Santa Fe, New Mexico to Larry and Mary Montoya in 1950, she came to San Diego in 1951.*

Living most of her teen years with her four brothers, Mike, Will, John and Chris in Linda Vista she was not a shrinking violet. Dorothy always spoke up for herself.

A life long resident of San Diego and the beach community of Ocean Beach, Dorothy loved to hike and visiting with friends at the Arizona Cafe.
