“ *My dad was a man with a big heart and was rough too. I will miss him so much. I will miss his little banter that we had with each other. He would get this twinkle in his eyes then have a smirk like he was gonna say something. He was funny too. I would call my parents and say "Hey, what's up? " then he would tell me he had used hay, then ask if I needed some. I would say no, you can keep it. We did have a falling out but we came back together. I have been having hard times on not having Dad and Mom. They both will be miss.. Love and Miss you Dad.*
