“ Jeff. Covid concerns at home will keep me from attending your service tonight but please know, I have been thinking of you nonstop and am devastated I will never be able to talk to you again. Or, at least hear you talk back... The guys are right, you were so much fun in law school and always a joy to be around. To me, you were that extra special person I guess in part because I saw you as so humble and gracious. I guess that's why you were needed elsewhere. Good Luck to you wherever you are and I hope they appreciate you. I miss you and I always will miss you. I hope to see you again one day. Take Care. Love Lori

“ *Jeff and Family,*

I met Jeff in law school and we later rented a law office in the same building. Jeff was always smiling and up for having fun. Great guy all around. You will be missed Jeff. Rest In Peace.

“ *Jeff and Family:*

Thankfully we had neither cell phones nor cameras during law school, leaving little evidence of the good times we all shared. I was saddened to hear of Jeff's passing. I always enjoyed his humor and company. We had a fun group of friends from those law school days and if anything positive can be gleaned from this, it is that you brought that group back together. Gone too soon Jeff.
