“ Hi my beautiful guardian angel ☐ it's 2/27/25 10:02pm & I just wanted to thank you for being by my side everyday I feel you near me everyday & I just wish you could be here to share some exciting moments in my life with me. We finally got a place & I know you would've visited me & Maya every time you had a day off. As happy as I am to finally have a place it also hurts so much that you're not here to be apart of this 🥹 I love you ☐☐☐
