“ *Just now found out about John's passing. So sorry, He has done plumbing work for myself & my mother for years. What a great guy, hard working and a joy to be around. John, you will be missed, Susan Farr & Analee Bankson,*

“ *I am so saddened to know of John's passing. He came to my home often, he knew both my children in their high school days (Toni and Mark Lopez). He always was so congenial and kind. His plumbing career did him very well; I will truly miss him. He did much plumbing work for me. Peace is with you for eternity John and God Bless You and Yours. Sincerely Josie*

“ *Dear Pipitone family,
We are so sorry to hear about John's sudden passing. He will surely be missed. We grew up together as kids and even kept in touch as John provided plumbing repairs to our different properties over the years. As you are in heaven now, please say high to your dad Nick for me.*
