“ We remember and honor the life of a remarkable woman, our beloved mother, grandmother, and cherished mother-in-law. She was a source of strength, kindness, and unwavering love, and her presence left a lasting imprint on everyone fortunate enough to know her.

*From the very beginning, she welcomed others with an open heart and a gentle spirit. As a mother-in-law, she was more than family by marriage, she became a true blessing and a steady source of warmth, encouragement, and understanding. Her kindness made it easy to love her, and her wisdom made it easy to respect her.*

*She was a woman of quiet strength, whether through a thoughtful word, a warm hug, or a simple smile, she made people feel seen, valued, and cared for. She had a way of bringing comfort during difficult times and joy during the simplest of moments.*

*Her love for her family knew no bounds. She took pride in her children and grandchildren, and the legacy of her love will continue through them. Her values, her laughter, and her generous spirit will live on in the hearts of those she touched.*

*Though words cannot fully capture the depth of her impact, we find peace in knowing that her life was one of meaning and love. She taught us the importance of family, resilience, and compassion, lessons we will carry forward every day.*

*We will miss her deeply, but we are forever grateful for the time we shared. Her memory will remain a guiding light, reminding us to live with the same grace, strength, and love that she showed so effortlessly.*

*Rest in peace. You were truly loved, and you will never be forgotten.*
