Joshua James Loftis

November 27, 1985 - April 12, 2021

Joshua James Loftis, our beloved brother, son, and friend, left this world and said hello to Heaven on April 12, 2021.

Josh lived life on his own terms and through the process amassed a large community of friends and family. A magnetic personality with sparkling eyes, there are few who met Josh that didn't instantly care for him.

Josh was always the life of the party and was fearless and fun by nature. An avid skateboarder and drummer, he had the uncanny ability to easily pick up and run with any hobby or skill that interested him. He lived for listening to and playing music, and you could often find him screaming (not singing) the songs of his favorite bands - namely Pennywise and Social Distortion. What Josh had in natural talent, he met and exceeded in heart. He was a champion for the underdog and had vulnerability seldom seen in the average person.

It is with profound sadness that our family says goodbye to Josh, but we are thankful he is reunited with his mother, Karen, and aunt, Kiki, whose deaths left him with a hole in his heart. He is survived by his father and step-mother,

Bob & Connie, sisters, Cassidy, Brittany, Shelby, Brendy, Kayla, and Marlie, brother, Bob, and an array of cousins, aunts, uncles, and friends. We miss Josh already, but are thankful for the memories we have with him and look forward to the day that we see him again. A celebration of life will be held at noon on Saturday, May 8th - Santee Lakes, site U. All who knew and loved him are welcome.

To all my friends, present, past and beyond Especially those who weren't with us too long Life is the most precious thing you can lose While you were here the fun was never ending Laugh a minute was only beginning Joshua James Loftis, this one's for you...
