

Julieta - Fajardo

March 30, 1972 - February 7, 2024

We are deeply saddened to announce the passing of our beloved Julieta Fajardo, who touched the lives of so many.

She dedicated her life to teaching special needs children, a job that filled her heart with joy and purpose. She had a special way of connecting with her students and helping them reach their full potential.

In her spare time, she loved to cook delicious meals for her family and friends. Her specialty dishes were always a hit at gatherings and she took great pride in her culinary skills. She also had a deep love for the ocean, where she would spend hours surfing, soaking up the sun and listening to the wave's crash along the shore. Moreover, let us not forget her love for a good beer, always indulging in a cold one at the end of a long day.

Our beautiful Julieta, her warm smile, kind heart, and unwavering dedication to her passions in life will be deeply missed by all who knew her. We take comfort in knowing that she is now at peace, watching over us from above. Rest in peace, dear Julieta. You will always be in our hearts.
