“ *My fearless friend,*

*We met in 1990 when I was only fourteen years old on Picador Blvd. where you gave me your stamp of approval. You told me I was strong, fierce and a firecracker and to never change. My self confidence grew that day, thank you. Since then you've always welcomed us (Hernandez sisters & fam) into your home with open arms and often a hot meal, you embraced our babies just the same. You adopted my sweet Lance, raised, loved and cherished him along with all the other furry babies you cared for loved so much.*

*My mom had a strong friend in you on earth and now in heaven.*

*So many memories, so much laughter, so many hugs. Rest now my sweetness.*

*I will miss your laughter, your funny comments, your way of showing you cared...unique!*

*My beautiful Leoncia ~ Until we meet again, somewhere, sometime... I love you amiga.*

*Her soul is fierce. Her heart is brave. Her mind is strong.*

“ *Mama Leona, you are free, strong and light as a feather. By now you have crossed the Rainbow Bridge with your loyal companion Sir Lancelot at your side. May the journey across the heavens and the cosmos bring you eternal bliss. Please share a hug and a kiss with Mama Fina, Mama Esspy, brother JC, and so many others who departed. Until we see you again, rest assured that your cubs will remain strong, hopeful, and always in search of joy. I love you my fearless warrior. -Annel*
