“Cousin, I will miss getting a message saying "Hey Cousin", I will miss you going with me to my crazy adventures. I will miss going on lunch and movie dates. You left us too soon. We didn't get to go out that one last time like we said and that hurts so much! Thank you for all the memories, thank you for all the laughs. Thank you for being my cousin! We will miss and remember you always. I promise you I will be next to Cathy and take care of her always. Now it's just us and we have to learn to keep going no matter how much it hurts. I wish I could give you one last hug. Rest easy my cousin!

“Linda, this still feels so unreal! I'm so sad we didn't get to party one last time. I'll forever cherish the memories, when our "young chill group" would have our own little after party y cantabamos Mana. You will be truly missed! ❤️
Rest in peace friend 🕊️🌸

“Querida Cathy y familia!!
No tuve el placer de conocer a tu hermana, pero por lo poco que platicamos, pude darme cuenta ya que era un ser de luz, siempre tratando de dar lo mejor de ella física y materialmente!!
En su memoria ustedes sigan siendo esa LUZ para otros!!
Les envío mis condolencias y los tendré en mis oraciones!
Que el alma de LINDA descanse paz en brazos de nuestro Padre Dios 🙏🌸
