“ i just realized that her regular phone calls ...every morning between 930 and 10 am... are really missed.... amazing my mom has been in many peoples dreams these few days...one said she asked to toast with some bacardi!!? she never drank, the other said she told her these words "ME FUI ANTES DE LA PRIMAVERA, A CORTAR FLORES CELESTES" I have been getting a whole slew of coincidental type phone calls or messages... there are so many things to sayher 93 years were action pack... including being witness to the firing squad that killed JUAN SOLDADO... 80 years ago.she was 12 at the time.

she was a student at the first classes at escuela ALVARO OBREGON...NOW, CASA DE LA CULTURA in 1936 !!

born in COLIMA...and came over to Catalina Island at the age of 6

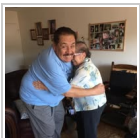

she was of ZAPOTEC and french heritage, that's why the green eyes...
