“ *I worked with Martin over 20 years ago. He made quite an impression on me and was always willing to help me out. He was always joking and laughing and one of the easiest people to be yourself around. That is rare. I hadn't seen Martin in a long time but it doesn't feel like it when I think of him. I'll miss you buddy. Rest easy until we meet again.*

“ *Uncle Martin, I can honestly say that I know no one else as selfless, loving, kind, and generous as you. Always there for us with a smile, jokes, kind words, and advice. I am thankful to God for the years he blessed us with your presence in our lives. Your spirit and teachings will live on through your children, grandchildren, and all the youth, family, and friends that you reached not only with your words but also with your actions. Truly one of a kind, you will be missed but I know you have peace now.*

“ *We met the Brecedas when our sons played soccer together. Our common love of our Catholic faith and the joy of watching our sons compete quickly formed a bond between Martin, Maria, Peggy and myself. Vaya con Dios Martín! Your soul is in my prayers! Kelly and Peggy Geier*

“ Marin was a man of God. He was an honest, good man. You could trust him and he would keep to his word. You could not meet someone kinder than him, he had the biggest heart. He lived his family and was a true, good friend. I am blessed to have met you and called you friend. Rest in peace my dear friend. Love Vicky

“ As the days go by I wish I could have had more time to spend with you Compadre. My heart tells me you should be a saint! The love you had for our youth, for my children is beyond comprehension. Thank you for all you gave of yourself for them. Thank you for being a great example in life for husbands, fathers and brothers! Thank you for being our daughters godfather! You will be missed so much! May the light of our Lord's face shine brightly for you.
