“Blessed to have a family like you & my tia. Ricardo, growing up with you was so special. I remember always coming over & playing with your golden retriever & also visiting my nina. Now they're all together in Heaven watching over all of us. You will be missed. Love you all, so much. - Rosales Family

“ Dear Grandpa Dick

It you're grandson Kyle thinking about you and all the times that we just talked and I got to get to know you and I will always remember those times. Wanted you to know that I am doing good in my life. I remember the first time I spent the night over there and I know that I was older but I'm glad I was able to have memories that will be with me forever. Im will always have a black pair of cowboy boots because of you. I know you're up there in the universe watching us all with the family. I love you grandpa and you will be in my heart forever.
