“ Robert “Bob” Torbett. I've known this man, harsh as he was, since about the mid 1974, when he came the LAPD fraud unit, on a week's training program. I learned then that we had much in common. I had a casa In Rosario Beach, and Bob was Mr. Mexico, liaison for the sheriffs department and he knew everyone in Baja. Over the many years, we stayed in contact through our respective departments and the Mexico connection. Bob was very active with the his department in the sheriff's association, the museum and many other community groups. Can't keep a good man down. After Bob retired he continued with the Del Mar Racing security department. We continued our friendship over the years. I retired in 1985, going to the State lottery, the onto the State Horse Racing Board, connecting again through the horses at Del Mar. Bob was a bit lost when he his wife, after being marriage for so may years. He mourned, and eventually bounced back, cause you can't keep a good man down. I hadn't seen Bob for a few years, being that I live on Ventura County, and he was in an assisted living facility. I have missed my old friend, Mr Mexico, big Bob Torbett. God bless you and Rest In Peace
Tu amigo; Bob Nieto
