“ *I will never forget the summer I spent with Uncle Charlie and Aunt Myrtle. Uncle Charlie had lined up something to do every day, whether it was a museum, SeaWorld or a trip to the library. When Uncle Charlie didn't feel good enough to take me, he would make a phone call and Roger would drop everything to take me for the day. We spent time at Balboa Park, going to the museums and he was so patient, letting me look to my heart's content. I have never forgotten that summer and the time I spent with Roger and the rest of my family.*

Rest in peace, Roger. I am so glad you are with your mom and dad.

Susan Mahoney-Weber (Roger's first cousin on his dad's side.)

“ *Roger and I were best pals for thirty eight years largely owing to the cohesiveness of our shared passion for jade. We experienced several jade trips together, produced several published bulletins for the Friends of Jade, co-exhibited jade displays at gem and mineral shows, and met some prominent people in the jade world. I will miss our camaraderie.*

“ Roger was a great friend and the best supervisor I ever had! I would not be where I am today if it was not for him. This picture was taken at his retirement party back in 2010. He will be greatly missed! RIP Roger
