

Stanley Alexander

September 7, 1960 - February 9, 2019

Stanley (Stan) Howard Alexander was born September 7, 1960 in San Francisco to Robert Alexander and Beverly Hauser. He was raised in Palo Alto and attended Cubberley High School.

Stan was very active in sports and played football and baseball. He was outgoing and very gregarious with a great sense of humor. His smile and laugh were welcomed by all. Stan went to Foothill for a couple of years and then moved to San Diego to get his degree in Criminal Justice. After doing a domestic violence ride along he decided this was not the career for him. He began his career as a carpenter which he loved.

Stan loved San Diego and stayed there after college. He lived for a short time in Colorado but returned to San Diego where he could run, bike and play in the ocean. Stan once took a vacation with a friend where they rode their bicycles from the Oregon border down the coast to the Mexican border. On the last day they covered 250 miles to achieve their goal. Stan loved children, dogs, cooking and garlic. There was never enough garlic to satisfy his taste. Stan loved Jimmy Buffet and wearing Hawaiian shirts and shorts. For many years Stan never even owned long pants.

Stan had a great number of friends from all areas of his life. They will remember him for his incredible bear hugs, laughter and sense of humor. May you Rest in Peace.

Stan is survived by his sister, Andrea and niece Shelby, Step Brothers Mitch (Marcia) Wolf, Neil (Jennifer) Wolf and Stepsister Pam Wolf.

“ My deepest condolences to the family at this difficult time. I hope the words at Rev.21:4 bring you comfort. It says: "God will wipe out every tear from their eyes,and death will be no more,neither will mourning nor outcry nor pain be anymore. The former things have passed away." Please know you are in my thoughts and prayers.
