

Theresa Ann Meyers

October 16, 1956 - December 1, 2014

Theresa A. Meyers, born on the 16th of October 1956 in Elizabeth, New Jersey to Parents William J. Rutar and Theresa C. Blaskovic has sadly At the age of 58 become our beautiful Angel in Heaven. She's left behind by her Loving Husband, Larry K. Meyers, Three beautiful children: Keith R. Smith, Andrea L. Eddington, and Tricia J. Smith, and a wonderful grandson Jaeden O. Eddington. She has left a legacy of what it means to have a heart of gold. Our beloved mother fought a very long battle with Lung disease. She was Given a second chance at life on July 15, 2012 when she received a double lung transplant. For the next 2 1/2 years she lived a life she thought she had lost forever. She walked, played, laughed, sang, danced and loved, living each moment to the fullest. In the end however a cure was not to be as heaven called our beautiful Angel.

She will be remembered and deeply missed by so many people she as selflessly befriended over her lifetime. She was an angel on earth as she is in heaven.

Terry had requested before she passed that people donate in her memory to the American Lung Association Fight For Air foundation in lieu of flowers. She would love nothing more than to see people give as she did.

In loving memory of Theresa A. Meyers.

Theresa Meyers link to donate in stead of purchasing flowers or gifts.
