“ My son words will never be able to place your absent in my life. Your smile, your calls, your humor, your reliability, your dedication, your texts, your rap, your dancing, your hugs, your kisses, your protection, your personality, your appearance, you looking out for family, you looking toward the future, your tenacity, your adventure, your roughness, your gentleness, your competition, your faithfulness, your intelligence, your knowledge, your wisdom, and much more. I can't stop crying , you being gone is unbelievable. I am so happy and bless that in every text You let me know you love me. That is what I will always hold on to. I love you and Dorian. You both kept it real with me. Love always and forever, Mom. I am elated that you got company up there, so you are not alone. Dorian and Drew are the best company you can ask for.
