“ *I worked with Victor for over 30 years at The Red Fox Steakhouse. We had a lot of fun times together. He sometimes had a grumpy exterior but he was a big softy inside. He always talked about how much he loved his grandchildren. I'm sad he won't be able to see the new restaurant. My love and condolences to his family!❤️*

*It won't be the same without Victor in the Red Fox kitchen. My thoughts are with his family.*

*Thank you to all the Red Fox Family you were part of my dad's family as well, over 35 years at the restaurant. I always told my kids to call him Grumpies instead of grandpa because he always looked mad. But he had the biggest heart ever for his children and grandchildren. Thank you for the condolences.*
