

Wayne Percy Lill Jr.

March 5, 1943 - January 2, 2026

It is with a heavy heart that we announce the passing of Wayne Percy Lill Jr. who died on January 2nd, 2026. Wayne was born in Texas on March 5th, 1943 to Wayne Percy Lill Sr and Lee Kirkpatrick Lill. Moving with his family in the late 1940s to Riverside, California, he spent his youth surfing and enjoying the outdoors. Wayne was a graduate of Stanford and went on to become an early pioneer of computer software development, starting his own company and writing a book on Decision Tables & Flowcharts. Wayne was married for 23 years to Kuniko Kamisaki, who passed away last August from cancer. He is survived by 7 first cousins and their vast families.

Lovingly,

Cousin Tracy Knight Whitemarsh
